- 7- All commitments are personal. No transfer of registration is permitted for any reason whatsoever. Any person returning his bib and/or electronic chip to a third party will be held liable in the event of an accident occurring or caused by the latter during the event. Any person with a bib and/or microchip acquired in violation of these rules may be disqualified. The organisation declines all responsibility in the event of an accident in this type of situation.

### **Art-3 : Route - Schedules :**

1- The bibs will be collected at the Tillières sports complex on the day of the race from 17:00 to 18:45. When you pick up the bib you will be asked for a deposit cheque of 10€ payable to the Association Moine et Sanguèze, corresponding to the UHF bracelet of the company TimePulse. These bracelets must be given to the organizers at the end of your event so that this deposit cheque is not cashed. Licensees will be required to present their license and proof of identity and non-licensees will be required to present proof of identity. If your bib was to be removed

2

during the course (abandonment, disqualification,...), in case of continuation of the course, the runner does so under his own responsibility. 2- The Bike and Run will start at 7pm.

3- Departures and arrivals will take place at the Saint-Crespin-sur-Moine sports complex.

4- The routes are located in this sector on off-road routes (private dirt roads, private fields or vineyards, communal roads...) and will be marked by the installation of signposts and ribbons. The private properties crossed will be restored to their private character at the end of the tests.

5- At the start, the runners will start a short distance (about 400m) before picking up their teammate and the ATV and crossing the starting line together.

6- At any time the organisation reserves the right to modify the course and/or the schedule of the event and will inform the participants via its website and social networks.

Art-4: Abandonment:

In the event of abandonment, the team must notify the person in charge of the nearest station and give their bibs to a commissaire nearby or to the race direction. At the end of the events, one or more "tighteners" will close the course to ensure that no competitor would be in difficulty.

Art-5: Safety and traffic regulations:

One or more "openers" will go to recognize the course before the start of the events. All competitors must attend the briefing and respect the race instructions. The race management and the commissaires may exclude any team that does not respect the rules. The respect of the highway code prevails in the case where the route comes to cross or take a road, called "Public", other than dirt roads and private roads.

Art-6: Equipment - Provisioning - Miscellaneous :

1- Each pair must be equipped with an ATV and two rigid shell helmets with a chinstrap in attached condition.

2- There are 2 bibs per team and to be fixed on each rider. Each rider must visibly wear, in its entirety and throughout the race, the race number provided by the organisation.

3- A supply (solid and liquid) will be provided on arrival. As the test is autonomous, provide, at least, a canister (s) and/or water bag (s) type "CamelBack".

4- All external assistance, including out-of-area supplies, is prohibited.

5- Changing rooms and showers will be available at the complex.

Art-7: Insurance:

1- Licensees benefit from the guarantees granted by the insurance related to their license. It is the responsibility of the other participants to insure themselves personally. The organisers are covered by a civil liability insurance policy with Groupama.

2- The organisers cannot be held responsible for theft, loss, accidents or malfunctions due to poor health or non-compliance with traffic regulations or rules.

Art-8: Respect for the environment:

Le Trail des vignes is committed to a Sustainable Development policy. In order to respect the environment, it is essential to leave the course clean. The race management or the commissaires may penalise or even exclude any team that does not respect the environment of the course it is taking. Used packaging must remain in your bag. Containers or bins will be at your disposal on the finish area of the event in order to deposit them.

Art-9: Advertising, Press Relations and Photographs:

The organizers are the sole owners of the advertising rights and reserve the right to review each publication. The organisers are responsible for the layout of the various publication media (posters, flyers, various prospectuses, etc.) and either print or have printed each of these media. The organisers are in charge of contacting various media (paper, radio, TV, Internet, etc.) in order to communicate the date of the events to the widest possible audience.

Art-10: Image rights and CNIL :

1- By registering, the competitor authorizes free of charge the reproduction and exploitation of his image for the benefit of the organiser (or even his partners) for an indefinite period.

2- In accordance with the provisions of the amended law n° 78-17 of 11 January 1978 known as "informatique et libertés", the organiser informs competitors of the existence of files containing personal information. It also informs the participants that the results will be published on the website of the event (and its partners). Each competitor has a right of access to the personal data concerning him/her and may object, in particular, to the publication of their result by informing the organiser ([contact@traildesvignes.net](mailto:contact@traildesvignes.net)).

Art-11: The registration of the Trail des Vignes in the Bike and Run is deemed to be an agreement to this regulation.

The entire team of volunteers remains at your disposal for any further information and wishes you a good training,
